### *Akcelerant announces new customers*

Akcelerant Software LLC of East Whiteland said it added 13 new customers in the quarter.

Over the past six months, Akcelerant has gained a total of 26 credit union customers, many of which have signed on to use more than one of Akcelerant's products. The growth seen over the last two quarters is projected to continue during the remainder of 2008 and into 2009.

New customers include: Delta Community Credit Union, a Georgia-based credit union with 2.8 billion in assets and more than 174,000 members, and Redwood Credit Union, a subscriber of the Symitar host system with more than \$1.8 billion in assets and 143,000 members.
