**AKCELERANT SELECTS INTEGRATED MEDIA MANAGEMENT'S (IMM)<sup>®</sup> SUITE  
OF PRODUCTS TO ENHANCE DOCUMENT PROCESSING**

*Akcelerant customers will have access to an industry-leading document output management and automation technology platform.*

MALVERN, PENNSYLVANIA – December 2, 2009 – Akcelerant, a provider of connected software technology for the financial services industry, and Integrated Media Management (IMM)<sup>®</sup>, a document output management and automation technology provider, announced today the integration of IMM's comprehensive suite of TotaleAtlas document management products into the Akcelerant Framework.

The Akcelerant Framework is a connected software platform that powers Akcelerant's loan origination and collection solutions. IMM's TotaleAtlas will be initially integrated to SOLUTION.LENDING, Akcelerant's innovative and highly customizable loan origination system. This partnership will use the Framework's powerful and efficient workflow capabilities to provide automated document output management that will reduce operating costs and improve efficiency. Akcelerant's customers will have access to the industry's leading solution for document processing and presentment, as well as benefit from intelligent document selection and processing, electronic signatures, secure web document delivery and signing using digital certification with identify authentication, and automatic archival.

"In today's economy an integrated solution that creates efficiencies, reduces costs and offers time saving benefits to credit unions and their members is a requirement," states Chuck Klein, CEO of IMM. "The integration of IMM's TotaleAtlas document output and signature capture technology combined with Akcelerant's industry leading lending and collection solutions meet those criteria by automating what has historically been a paper based process. We are proud that Akcelerant has chosen IMM."

"Akcelerant is excited to integrate IMM's top-of-the line document management products into the Akcelerant Framework. We feel our customers will benefit greatly from this relationship due to the

increased efficiencies it can provide. Akcelerant always strives to provide its customers with the best the industry has to offer, and the integration to IMM is no exception,” states Jay Mossman, President and CEO of Akcelerant.
